I understand that this authorization includes information regarding the diagnosis and treatment of drug, alcohol, Acquired Immune Deficiency Syndrome (AIDS), and psychiatric and psychological disorders [EXCEPT Psychotherapy Notes* as defined by the Health Insurance Portability and Accountability Act 45 CFR 164.501, psychotherapy notes means notes recorded (in any medium) by a health care provider who is a mental health professional documenting or analyzing the contents of conversation during a private counseling session or a group, joint, or family counseling session and that are separated from the rest of the individual's record. Psychotherapy notes require a separate authorization.] It also includes original x-ray films and reports, laboratory reports, original CT scan films and reports, original MRI scan films and reports, EEGs, EKGs, sonograms, arteriograms, fetal monitor strips, discharge summaries, photographs, surgery consent forms, informed consent forms regarding family planning, admission and discharge records, operation records, doctor and nurses notes, prescriptions, medical bills, invoices, histories, diagnoses, psychiatric treatment and counseling records, psychological treatment and counseling records, narratives, and any correspondence/memoranda and billing information. It also includes, to the extent such records currently exist and are in your possession, insurance records, including Medicare/Medicaid and other public assistance claims, applications, statements, eligibility material, claims or claim disputes, resolutions and payments, medical records provided as evidence of services provided, and any other document or things pertaining to services furnished under Title XVII of the Social Security Act or other forms of public assistance (federal, state, local, etc). It also includes my complete employment personnel file, including attendance reports, performance reports, W-4 forms, W-2 forms, medical reports and/or any and all other records relating to my employment, past and present, and all educational records, including courses taken, degrees obtained, and attendance records. This listing is not meant to be exclusive. Ex parte communications with physicians are not permitted pursuant to this Authorization.

I, the undersigned individual am on notice that:

- Initiating this request for disclosure of protected health information, and any disclosure of the same pursuant hereto is at the request of the individual.
- Any health care provider disclosing the above requested information may not condition treatment, payment, enrollment or eligibility for benefits on whether the individual signs this authorization.
- This authorization can be revoked through written notice to

_____ , or to the individual above listed entities, except to the extent that action has been taken in reliance on this authorization. The undersigned is aware of the potential that protected health information disclosed pursuant to this authorization is subject to re-disclosure in a manner that will not be protected by HIPAA regulations.

A photocopy of this authorization shall be considered as effective and valid as the original, and this authorization will remain in effect until settlement or final disposition of Alves vs. Harrison Co. or five (5) years from the date of this authorization, whichever comes later.

I have carefully read and understand the above, and do herein expressly and voluntarily authorize the disclosure of the above information about, or medical records of, my condition to those persons or agencies listed above.
